

New Horizons

Employment and Adaptability

Loka Brunn, Örebro, Sweden 4th October 2004

This will be an interactive forum, which allows you to:

- *Consider practical findings from European employment work*
- *Investigate the common challenges of rural areas*
- *Provide opportunities for creative inputs from policy makers*
- *Develop strategies and methods to combat inequality and social exclusion*
- *Formulate recommendations to improve EU equality and employment legislation*

The day will include music, drama, electronic voting and much more!
